

Glynn Academy Band
Drug, Alcohol & Tobacco Form

Dear Parents,

We are very excited about the up-coming year and the many new and exciting things in store for our band. Throughout the year we have the prestigious opportunity of representing our school as well as our community in many events.

With this in mind, we feel you need to be aware of some particular policies of our program. ***Any student caught with or using drugs or alcoholic beverages on any band function will be immediately dismissed from the program.*** You will be notified prior to dismissal in order that you may arrange to come to the school and pick up your child. Upon returning to school, the student will be turned over to school authorities for additional discipline, according to the school's policy. If your child is suspended from school at any time during the year due to the same situation, the same procedure will be adhered to. ***Smokeless tobacco and smoking are also prohibited during ANY band related functions. Violation of this policy will result in probation on the first offense with suspension on the second offense.***

Please sign this letter and return. Your continuing support of our program makes it what it is today and what it will become tomorrow.

Sincerely,

Christopher Duke
Director of Bands
