

# Glynn Academy Band Travel Permission

I, the undersigned being the parent, legal next of kin, or legal guardian of:

---

**Name of Student**

hereby grant permission for the above named student to travel with the Glynn Academy Band program.

---

**Signature**

**Date**

**Relationship to Student**

## Check-out Procedures

1. Unless pre-approved by the Band Director, everyone will check out after the event and after their equipment/uniform is properly cared for.
2. If you cannot take your equipment/uniform with you, it is your responsibility to see that someone takes care of it and get it back to the band room.
3. You may only check out with *your legal guardian*.
4. Notes to check out must be signed by the Band Director *two days prior* to a travel event. Notes will not be signed or accepted as we are loading the bus or during the event.
5. Departure times mean just that, you are to be seated on your bus ready to go. The buses will roll at the departure time. If you miss our transportation it is your responsibility to get to the event with an adult.
6. Upon arrival back at the school, you are to be off campus within 30 minutes of unloading. This allows for time for parents to pick you up. Chaperones and Directors are ready to leave after the event so it is very important that parents be here to pick up your child. If we are going to be greatly delayed from our original estimated arrival time we will post a sign on the band room door.
7. **Any** violation of the above procedures could result in suspension and/or loss of membership in the traveling band.

Although these procedures seem a bit strict to parents and students, when transporting 100+ students to and from a destination in a safe and timely manner we must have procedures in place. Please trust that these procedures are with everyone's best interest in mind.
