THE PURPOSE OF THIS CERTIFICATE
It's simple, the Florist named on this certificate is spending what would otherwise be advertising dollars. The Florist has 12 opportunities to win your trust and business.

When you have a need to buy flowers, hopefully, you will think of the same Florist who has been giving you a FREE Bouquet every month. Surely you can use the need for your personal visit each month and why there can be only one certificate honored per customer. How else can you get to know each other. Delivery is not available on your FREE items. Holidays are a very busy time for a Florist, therefore you are asked not to expect service on the certificate for its business days before or on the Holidays listed on the front of your certificate. Ask your Florist to use the bouquet of the month in a vase. For an additional \$10 you can have your Florist arranged including a vase. Floral Customer Delivery would like to thank you for your purchase and invite you to enjoy your flowers. ©

CONDITIONS

- FLOWERS MAY BE USED FOR AN ADDITIONAL \$10 (No Carry-in Vases Allowed)
- ONE CERTIFICATE PER CUSTOMER PER HOUSEHOLD
- ONE CERTIFICATE PER CUSTOMER PER VISIT
- FREE ITEMS VALID IN MONTH NAMED ONLY
- NO SUBSTITUTIONS ON FREE ITEMS
- F.C.D. NOT RESPONSIBLE FOR FLORIST PERFORMANCE
- ONLY ORIGINAL CERTIFICATES HONORED
