

GABB NOTES

February 8, 2008 -

Eight District Honor Band Clinic

Mr Duke and 8 of our band students participated in the Eight District Honor Band Clinic last weekend and Congratulations are in order:

Mitchell Tuttle made 1st Chair "A-Band" playing clarinet

Alysa Lambert made 1st Chair "B-Band" playing baritone.

We are very proud of you and also

Nagi Argiriou(clarinet), **Brian McDonald**(clarinet), **Brandon Hutchinson**(alto sax), **Ethan Varnedoe**(trombone), **Mickey McDonald**(trombone), **Josh Haight**(alto sax) and **Taylor Cooper** (tuba).

How many trumpet players does it take to change a lightbulb?

Five. One to handle the bulb and four to tell him how much better they could have done it.

Governor's Honors

WOWSER
did you see how many of our band students were chosen as candidates for Governor's Honors???
YEYY!!!!

[\(click to read the story\)](#)

All Region Winners!

Morgan Ruedlinger and Brooke Shearouse both made All-Region Band this year and Nagi Argiriou made the All-Region Alternate list as well. This is an outstanding accomplishment for these students and I look forward to even more of our members to be recognized for their hard work in the future.

CONGRATULATIONS!

Upcoming Meetings

- EXECUTIVE MEETING
Tuesday Feb 12th - 6:00 P.M.
- GENERAL MEMBERSHIP
TUESDAY Feb 12th - 6:30 P.M.

How do trumpet players traditionally greet each other?

"Hi. I'm better than you."

WHAT ELSE CAN WE GOSSIP ABOUT?????

**MR DUKE
WANTS YOU!!!!
TO PRACTICE !!
PRACTICE !!!
PRACTICE !!!!**

Nathaniel Fields in the Brunswick News

Nate Fields reaches under the 4H dock on Jekyll Island to see what kind of marine organism he can find attached to the underside. This method of collecting samples is called "belly biology" because you have to lie on your belly.
